NOTES FOR REFEREES
The applicant has named you as a referee in support of an application for graduate admission and/or scholarship at this University. The report will be disclosed only to those immediately involved in the selection process.

A referee who is a member of staff of the ANU is asked to note that the University has adopted the practice of making available to the applicant concerned those comments from members of the University which have been obtained in the performance of their duty, eg as a Head of Department.

Although you are a member of the staff of this University, this report is requested on the basis of your particular expertise and the University acknowledges that the report is neither requested nor supplied in the performance by you of your duties as a member of the staff of the University.
