NOTE: CSU considers eligible applications for offer to a course in order of receipt. Date of receipt refers to the date all information required is received by the Admissions Office. Failure to provide full and complete information and documentation with your application will result in delays in processing and ultimately consideration for admission.

B. Closing dates for applications

Applications for distance education courses are assessed on a continuous basis and offered to the next available intake. Applicants are strongly encouraged to take advantage of this by lodging their application as early as possible, noting the closing dates shown below. Places are offered to eligible applicants on a first-received basis and, if the course offering is subject to a quota, applications received after the closing date will only be considered where places remain available.

Closing dates

| Session 1 (February – June) | On-time applications | 31 October | Final applications | 1 December |
| Session 2 (July – October) | On-time applications | 1 May | Final applications | 1 June |
| Session 3 (November – February) | On-time applications | 1 September | Final applications | 1 October |

C. Assumed internet access

CSU places great emphasis on services to its students. It is a leader in the provision of online services and, in particular, the use of the internet in the support of teaching, administration and communications with students. The online environment is so integrated into all aspects of student life and the learning experience at CSU that the University now assumes that all on campus and distance education students at CSU will have ongoing access to an internet connected computer capable of communicating with CSU online systems.

D. Essential supporting documentation

Check the relevant web pages or brochure for the course you wish to apply for and ensure that you provide any additional information required.

www.csu.edu.au/courses

All applications must include clear, correctly verified copies of the following documents:

- Official transcripts of any secondary, post-secondary or tertiary studies indicating the subjects attempted, grades obtained and certificate of completion. (Note: results notices or enrolment records are not sufficient.)
- For postgraduate courses - copies of official transcripts and proof of completion of undergraduate courses completed.

You must provide evidence of proficiency in the English language – see Section 3 English Language Proficiency.

Note: If your post-secondary study or tertiary study is in a name other than that which appears on this application form, you must provide verified evidence of that name change, e.g. marriage certificate or other legal documentation.

NOTE: CSU does not return documents.

E. Correctly verified documents

Any official documentation included with your application must be verified as a true and accurate copy. CSU does not return documents. Documents not correctly verified will result in delays in the processing of your application and its consideration for admission.

Who can verify copies for you?

- An authorised officer from the institution that originally issued the documents
- An Australian Overseas Diplomatic Mission or Australian Education Office
- An authorised Charles Sturt University representative (agent)
- A Public Notary
- A Justice of the Peace with a registration number
- A CSU staff member.

How should the authorised officer verify each document?

On each page of the document they must write 'This is a true copy of the original document sighted by me'.

On the first page, they must sign, and print the following details: name, address, business hours telephone number, profession or occupation or organisation and the date verified. They must include the official stamp or seal of the verifier's organisation on the copy if the organisation has such a stamp. In addition to the above, if the verifier is a Justice of the Peace, they must also print their registration number and the state in which they are registered as a Justice of the Peace.

Documents not verified or not verified correctly

CSU is not permitted to process:

- Documents that have been verified by an immediate relative or a person residing at the same address as the applicant
- Documents that are just photocopies, that is, not verified
- Documents that have not been correctly verified
- Documents verified by a Justice of the Peace without a registration number.

F. English language proficiency

Applicants will be deemed to have sufficient English proficiency if they:

- a)
 - have completed all their formal studies in one or more of the following countries; or
 - were born in one of the following countries and have completed at least one qualification in one of those countries; or
 - were not born in one of the following countries, but have completed senior secondary study or at least one year of full-time university study in one of these countries, and the language in which the qualification was undertaken was English:

United States of America, Western Samoa or Zambia
- b) have successfully completed one year of full-time (or part-time equivalent) post-secondary study at an affiliate institution of the University, with English as the medium of instruction and assessment.

All other applicants must demonstrate proficiency explicitly.

Any of the following results, obtained within two years of commencement of the course for which the applicant is applying, can be used to demonstrate English proficiency for most undergraduate and some postgraduate courses.

- Academic IELTS (International English Language Testing System) test result with a minimum overall score of 6.0 and no score below 5.5 in each of the individual skill areas.
