## Zitat

*„Aufgrund seiner langjährigen Erfahrung konnte das Institut Ranke-Heinemann mir zuverlässig, unkompliziert und sehr kompetent bei der Bewerbung eines Master of Laws an der University of Sydney behilflich sein.*

*Von meinem ersten Anruf bis hin zur letzten E-Mail hatte ich mich immer sehr gut betreut gefühlt. Die Bewerbung erforderte viel Organisationsaufwand und ich war froh, das Institut Ranke-Heinemann als Ansprechpartner und tatkräftige Unterstützung an meiner Seite zu wissen.“*

**Constanze Wedding**

*Master of Laws, University of Sydney*

### Carnegie Mellon University is an American university established in 1900 in Pittsburgh, Pennsylvania.

**Ranked 22 in the world, (Times Higher Education, World University Ranking, 2012–13) Carnegie Mellon has been a birthplace of innovation throughout its 113-year history and is a global leader in bringing ground-breaking ideas to market and creating successful start-up businesses.**

Carnegie Mellon University in Australia forms part of Carnegie Mellon's global footprint which includes campuses in Silicon Valley, Rwanda and Qatar.

At the invitation of the South Australian Government, Carnegie Mellon opened its campus in Adelaide in 2006. Located in the International University Precinct situated in the heritage-listed

Torrens Building in Victoria Square, it was the first international university to establish in Australia.

We combine an American, world-class degree with an Australian experience. Our Adelaide based campus delivers this high quality and exceptional education offering affording students with a unique advantage for when they enter the competitive graduate, global market.

### Adelaide, Australia

**Adelaide, the capital city of South Australia is home to a culturally diverse population of 1.26 million people is the fifth Most Liveable City in the world and Australia's most affordable capital city (Economist Intelligence Unit 2012).**

Adelaide is an ideal destination for students and offers an affordable, dynamic and safe environment in which to live and study. The city is vibrant, original and stylish, and renowned as a leader in social and cultural change. Adelaide is home to three other large universities, numerous cultural venues, affordable restaurants and a warm and mild mediterranean climate.

## Information Technology Programs

**Master of Science

## Public Policy and Management Programs

**Master of Science  
in Public Policy and  
Management (MSPPM):**  
12 month / 3 study periods

**Master of Science  
in Public Policy and  
Management (MSPPM):**  
21 month / 5 study periods

The Master of Science in Public Policy and Management programs are tailored for students seeking to assume positions in policy development, implementation and evaluation, and to manage these functions in government, non-profit organisations, international organisations and the private sector. Schooled in the

interdisciplinary Carnegie Mellon University tradition and trained as an analytical problem solver, students will understand how to produce and analyse data after sound policy advice, and make effective management decisions. Students will look beyond traditional paradigms looking to innovative solutions to problems.

- An American degree from Carnegie Mellon University ranked No.7 in the speciality area of Public-Policy Analysis (U.S. News & World Report, 2012).
- Equips students with the skills necessary to assume positions in

policy development, implementation and evaluation and enables students to produce and analyse data after sound policy advice, and make effective management decisions

- Students can customise their program by choosing from a variety of course electives, projects and independent study
- Practical industry experience available through full time internships
- Systems Synthesis Project – Unique to Carnegie Mellon University

## Global Programs

**Master of Science in Public  
Policy and Management  
(Global MSPPM):**  
21 month / 5 study periods

**Master of Information Systems  
Management (MISM):**  
21 month / 5 study periods

Our global programs allow students to study a combined technological and business practise focused curriculum across Adelaide and Pittsburgh campuses.

Global students study their 1st and 2nd study periods in Adelaide and 3rd and 4th in Pittsburgh, with a choice of completing an internship around the world.
